

Newsletter: January 2009

Dear member of AAI, fellow Alumnus and friend, we hope 2009 has been off to a good start for you, and that you have a healthy, prosperous and exciting year to look forward to!

Things have been busy in the AAI camp. Your EB has been working with the IPM OC and Italian Alumni to bring you a rewarding first International Alumni Conference '09 at the AIESEC IPM in Rome, Italy (details below).

We also had a busy few months at the end of 2008, and have been working on our shared vision for the association, and on defining our priorities and strategies for the year ahead. Our underlying focus for the year is to become an even more (demonstrably) global organisation, raise our service levels further, and improve the communication means available to our members. One of our first priorities is to deliver a successful Alumni conference in Rome.

We take this opportunity to thank you all for the tremendous support you have given us this past year, and we look forward to further shaping AAI as a global platform for us to get to know each other and truly achieve our potential.

We hope you enjoy reading this newsletter, and as always, we look forward to hearing from you!

International Alumni Conference: Rome, 20 - 22 Feb

We're looking forward to seeing you in Rome in a few weeks' time!

The Alumni conference will take place in parallel to AIESEC's International Presidents' Meeting (IPM) during the **weekend of 20th – 22nd February**, followed by a study tour in Venice **22nd – 24th February** (subject to interest).

Follow this link for more information, and to register for the conference and the study tour: http://www.gls2009.org/agenda_alumniconference.php

AAI can provide a **certificate of tax deductibility** for attendance at the conference. Remember to ask us for yours in Rome!

Make Your Presence Known

AIESEC International has recently revamped the Alumni sections of **myAIESEC.net**. The new portal is very user-friendly and allows you to search for friends and colleagues from your AIESEC days (among other features).

We encourage you to check it out and register at <http://www.myaiasec.net/>

If you need help with the registration, just send us your details, and we will be happy to help you sign up.

AAI EB Meeting, UK

The EB held a year-beginning meeting in Canterbury, UK on 30th-31st Jan.

For more information on agenda and outcomes, please feel free to contact any of the Board.
