Dutch LC held highly successful Alumni Event

AIESEC Utrecht, a relatively new Local Committee at just twelve years old, held a very successful alumni event at the University of Utrecht in May, attended by 75 alumni and trainees.

AIESEC Utrecht organized this event to help alumni relive their unforgettable years with AIESEC and to show them that all their efforts in the past have led to one of the best LCs in the world! AIESEC Utrecht also wanted to remind its alumni that a trainee can add a lot of talent and diversity to their companies. However, the main goal of the alumni event was to give everyone the chance to see each other again and to renew the strong ties.
