Next AAI Conference: Rome, 20th-22nd Feb '09

Book the dates! The next AIESEC Alumni International Conference will take place in Rome, parallel to AIESEC's International Presidents' Meeting (IPM). The AAI meeting is planned for the weekend of **20th – 22nd February 2009**, with a **study tour on 23rd – 25th February**.

AAI and Italian alumni are working hard to shape an exciting agenda in partnership with AIESEC. **Jean-Jacques Graisse** (Deputy Executive Director of the UN's World Food Programme until he retired earlier this year and Alumni of AIESEC in Belgium) is one of the confirmed speakers at the event.

Further news on detailed programme and cost will be sent out shortly.

Alumni Movement goes Global

In the months since the successful AIESEC Alumni Congress at AIESEC's IC 2008 in Sao Paulo, Brazil, Latin America has seen its Alumni reconnecting with renewed vigour. One of the latest exciting results is the foundation of AIESEC Alumni Argentina. Congratulations to our Argentinean alumni!

We look forward to similar continent-wide movements following on from the two planned international alumni conferences in 2009 - in Europe and in Asia/Pacific - Rome, Italy in February and Kuala Lumpur, Malaysia in August.

Korea Alumni Association becomes Legal Entity

In September this year, AIESEC-Korea Alumni Association became a legal entity as an 'Incorporated Association'.

Alumni in Korea celebrated this momentous occasion at AIESEC Korea's 46th Anniversary Congress, which was held on 20th October at the Imperial Palace Hotel in Seoul.

AAI wishes the new association much success and many wonderful memories in the decades to come!

AIESEC Alumni Belgium hosts Annual Event

AIESEC Alumni Belgium hosted its annual get-together on 18th November in Brussels.

The animated event, held at an ice skating rink and followed by a Fondue dinner, was attended by around 50 alumni from across the generations.

AAI's own Victor Loewenstein, Monique Libens and Karl Van der Straeten were present.
