## What are you doing in February 2010?

Unless you already plans to be somewhere warm, beautiful, hospitable and unexplored, surrounded by old friends and new, join us in Hammamet, Tunisia, where AIESEC Alumni from all over the world will meet at the next AIESEC Alumni International Conference.

Pen the dates in your diary: the weekend of 19<sup>th</sup> – 21<sup>st</sup> February, followed by a study tour.

Things to do in Tunisia.....

Planning for the conference is well underway, with the Tunisian Organising Committee and your AAI Board working on bringing you an exciting and inspiring event, in relaxing surroundings. Needless to say, we are always keen to hear your suggestions, so do feel free to get in touch with us at [events@aiesec-alumni.org](mailto:events@aiesec-alumni.org).

## AAI 'Webinar' Survey

As we shared in last month's newsletter, AIESEC Alumni International is introducing a new service available to all alumni. In partnership with PPV Knowledge Networks, founded and run by a fellow alumnus, AAI will soon be launching a series of online video seminars, or "webinars", on various professional and social topics presented by renowned AIESEC alumni and experts from around the world.

We have had a great response to the brief [online survey](#) and would like to thank all alumni who have taken the time to share their preferences with us. The responses are still pouring in, so your AAI team have decided to leave the survey open for another month!

In case you haven't already done so, please do take this opportunity to [give us your feedback](#). Thank you!
