

1 month to go!

Dear Fellow Alumni,

And another year has begun and with it new challenges, fresh opportunities and multiple surprises ahead. May 2011 be another great year for all of us and may it also bring Peace to our very divided world.

AIESEC was founded on the principles of international collaboration and mutual understanding. Those fundamentals have not changed in more than 60 years and the current superb performance of the student association is proof that such ambitious goals can be attained.

AAI is a vehicle to maintain these beliefs alive and active throughout our professional and personal lives beyond university. Regularly meeting internationally, working together using the power of mutual trust that an AIESEC affiliation assures, **keeping the AIESEC spirit alive both in work and in fun.** This is what AAI Meetings provide, as well as a close interface with the student event – whether IC or IPM – which is running in parallel and with which interaction exists.

**AIESEC Alumni
International Meeting
& Ibero American
Business Forum**
25 years linking Alumni worldwide

This is precisely what this upcoming Mexico City Meeting is providing, coupled with the fact that it is being organised together with the AIESEC Alumni-IberoAmerica (AAIB), thus giving it that additional impact.

In fact this is the ideal business forum to interrelate with the fast growing Latin American economy and its leading entrepreneurs.

The philosophical, business and social components are gathered in Mexico from the **17th to the 20th of February**. Therefore the urgent call to you all is **COME, REGISTER and PARTICIPATE!**

The programme will include presentations by leading Mexican and international executives on key business issues, the opportunity for participants to network amongst themselves and develop areas of future co-operation, numerous social and cultural events, and last – but not least – the chance to participate in joint sessions with the AIESEC body which is gathered to hold its annual International Presidents' Meeting.

Do consult the organisers' web-site www.aaim2011.org to get more information on the event, venue and schedules. But do not miss this exceptional opportunity to enrich yourselves from this exceptional international alumni experience.

LET US CONTINUE CELEBRATING THE NEW YEAR IN MEXICO, WHILE FEASTING ON FRIENDSHIP, FUN AND TEQUILA SOURS!!! SEE YOU ALL SOON.

HASTA PRONTO!

Victor Loewenstein Fund for the AIESEC Association

We are delighted to announce that AIESEC International has established the Victor Loewenstein Fund to support initiatives contributing to sustainable operations in the AIESEC network.

Victor Loewenstein, PAI in 1961, has recently completed his term as member of the Supervisory Group of AIESEC International and will continue to serve as President of the AIESEC Alumni International Association. The creation of the Victor Loewenstein Fund is the way the association says Thank you! for all the support and generosity Victor has given AIESEC during all these years.

Demonstrating their gratitude and alignment with Victor's vision of sustainability of the association, AIESEC International has committed to place 5% of annual profits into the fund. The official launch will take place at the AIESEC International Presidents Meeting, to be held next month in Mexico, in parallel to the AIESEC Alumni International Meeting in Mexico.
